

Appln. No. 09/639,001  
Supplemental Amendment dated March 24, 2004  
Reply to Office Action of February 10, 2004

REMARKS/ARGUMENTS

Reconsideration of the present application, as amended, is respectfully requested.

Upon study of the Amendment and Response to Restriction Requirement filed March 9, 2004 in connection with this application, Applicants discovered inadvertent typographical errors in the claims. Specifically, claim 12 is amended herein since proper antecedent basis was previously present for the term "rear surface area," and claim 17 is amended to correct an inadvertent typographical error wherein claim 17 should be dependent on claim 13 instead of claim 14. No new matter is added.

Entry of the amendments, allowance of the claims and passing of this application to issue are respectfully requested.
